2026 ANNUAL FOUNDATION BREAKFAST

Tom Lavallee, 2026 Honoree

Join the Massachusetts Senior Care Foundation for its 2026 Annual Foundation Breakfast, celebrating the leadership and service of Tom Lavallee, Board Chair of the Massachusetts Senior Care Association and Chief Operating Officer of Alliance Health Management Services.

With more than three decades of experience in long-term care, Tom began his career at Broad Reach Healthcare, where he worked as a social worker and admissions director. From those early experiences to his leadership of multi-facility operations, Tom has dedicated his career to advancing quality care, building strong organizations, and supporting the people who serve older adults.

Today, Tom continues to serve the sector as a respected healthcare leader and advocate. We are proud to recognize his many contributions and lasting impact on long-term care.
