Building on its 35-year legacy of assisting long term care staff in furthering their education, the Massachusetts Senior Care Foundation is proud to announce its 2020/2021 Foundation Scholars. This year's class of 29 exceptional awardees include certified nursing assistants, nurses, resident care manager, and other facility staff who will use their scholarships to further their professional development and leadership in the long term care profession. The 2020/2021 Foundation Scholars represent a cross-section of staff and facilities across Massachusetts among the more than 75 applicants for this year's program.
